

## **Eleonora Menicucci: Women will not bow to the delay of this government**

Former Minister of the Secretariat for Women's Policies spoke out against Itamaraty's orientation that diplomats should reiterate that "in the understanding of the Brazilian government, the word 'gender' means biological sex," according to Folha.

São Paulo- SP- Brazil

Eleonora Menicucci, former minister of the Secretariat for Women's Policies, strongly criticized Itamaraty's orientation, as reported by Folha, so that diplomats could reiterate, in negotiations in multilateral forums, that, according to the Brazilian government, the word gender refers only to a person's biological sex.
